

Our Story

We began as a few men that met at a local church in Coldwater, Alabama. Some of us were pilots and some were non-pilots who had a desire to get a pilots license. We all shared a desire for flying and a love for our Lord and Savior Jesus Christ. We understand that our desire and abilities in the aviation field is a gift. We believe the best way to share our Christ like love is by using our skills and resources by providing aviation transportation to non-profits, Christian Ministries and families with special needs .

Today we are actively training pilots for missionary work, providing air transportation to non-profit organizations that are involved in saving women and children in human trafficking and domestic violence. We are providing transportation to first responders and assisting Christian Ministries with their emergency transportation needs.

If you would like to join our cause, please contact us. We have recieved calls from many organizations from all over the United States asking for our assistance. We haven't been able to meet the needs of all the organizations and it breaks our hearts. We need pilots, airplanes for training and transportation, and money for fuel and supplies for missions.

(Ephesians 4:1-7) I, therefore, the prisoner of the Lord, beseech you to walk worthy of the calling with which you were called, with all lowliness and gentleness, with longsuffering, bearing with one another in love, endeavoring to keep the unity of the Spirit in the bond of peace. There is one body, and one Spirit, even as ye are called in one hope of your calling; One Lord, one faith, one baptism; One God and Father of all, who is above all, and through all, and in you all. But unto every one of us grace was given according to the measure of the Christ's gift.
